Christian Work Continues In Communicative China

The Reverend and Mrs. Edwin Kilbourn and son Ernest, from the Oriental Missionary Society, with headquarters in California, were guest speakers at the Communicative Methodist Church Wednesday afternoon. The meeting opened at 3:00 p.m. and was presided over by Ernest Kilbourn with Mrs. Kilbourn at the piano.

Introduced by Mr. George Royah, each of the trio gave a very interesting talk, telling of the varied experiences in their work. The family has spent 3 years in Japan, 5 in Korea, 10 in China, and have also labored in Greece and South America.

They will leave again the 25th of this month for the Orient. Mr. Kilbourn stated, "We must do as much missionary work in Japan as possible before Communism takes over as has happened in China and Northern Korea."

The Kilbourns have been in this work since 1901 during that time have established 9 Bible seminaries and trained 2000 native pastors in these countries. Mr. Kilbourn stated that even the China is now a closed door to missionaries for Christian work continues and there is still a great work being done by the natives and co-founders of this work there.

ROOM FOR RENT—Private home. Adjoining bath. Phone 2-10-51

AVERAGE RAINFALL Continued from page 1

agrd. January runs a close second, with 1.35 inches followed by November's 2.12, February's 2.20 and March's 2.86 inches.

Scientists consider it has rained when as much as .01 of an inch falls in 24 hours, you can bet its going to rain at least one day in every month, for it has for the past 25 years. Only five months missed by one day getting by without rain.

The 25-year record shows that it will rain about half the days in June, July, August and September, one third in May and October.

Of the 130-day average of rainfall per year 47 of them will come in the summer months with 20 more coming in May and October, leaving the other six months, when we are harvesting most busily, with only five or six days of rain monthly.

Evangelists Are Guests At Lions Club Meeting

Two very distinguished gentlemen in the field of music, and both in the field of religion, were guests of the local Lions Club last Wednesday.

They were Walter B. "Bill" Mann and Dr. Allen W. Moore, who has been associated with "Life" meetings this past week at the Methodist Church here.

Mann, outstanding vocalist and pianist, has been associated with Bob Hope shows, treated the Lions to a beautiful rendition of a Irish tune. One of them was the ever-popular "When Irish Eyes Are Smiling."

Dr. Moore spoke on "Confidence in the Lion's Club" and admonished his listeners that man is inviting trouble when he severs relations with God.

Methodist Pastor Vandewater introduced the guests, and in his brief remarks, commended them for their contribution to the cutting of the pines that line Glades highways, a current hot topic in the low country. The pastor had already lashed out at the idea, in his church announcements last Sunday morning.

Preceding Vandewater at the Lions session, was Henry Earwood, Belle Glade Chamber of Commerce, who also had something to say about the trees.

Earwood stated that the C of C would try to remain non-partisan among the various business, political and civic groups; however, it was the Chamber's desire to obtain a cross-section of public opinion on the matter and act accordingly. This was his explanation for the card which had been placed on each Lion's plate before the meeting.

Each member present was requested to answer questions on the cards as to whether he was in favor of, or opposed to the act. Suggestions for action by the C of C were requested.

Band Will Go To Palm Beach Parade Tomorrow

The Belle Glade High School band has been invited to attend the Palm Beach Junior College Mardi-Gras parade tomorrow, scheduled to start at 2:00 p.m.

The group will leave Belle Glade about 11:00 a.m. in two buses. The various social and scholastic organizations of the campus will entertain our band, together with others participating, immediately following the parade. All recreational facilities, swimming pool, tennis courts, basketball courts, etc., will be available for the amusement of the guests.

Christian Science Lecture Sunday

"Christian Science: The Revelation of Man's Dominion Over Evil" is the title of the free lecture on Christian Science to be given at the Everglades Theatre Sunday afternoon Feb. 12 at 3:15 o'clock.

Robert Stanley Ross, C.S.B., the lecturer, comes from New York City, New York, and is a member of the Board of Lecturship of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts.

In arranging for the lecture, the members of First Church of Christ, Scientist, of Belle Glade believe they are providing a means for reaching many people with answers to frequent questions about Christian Science—what it teaches, how it heals, why thousands have become its adherents. A cordial invitation is extended to the public to attend.

TREES Continued from page 1

When the chips are down and the score is added up late argue about something else if its for progress in the Glades—and there's plenty to argue about.

The glory of accomplishment in this case seems to be of dubious political worth.

SCOUTS HOLD

(Continued from page one) gold arrow and two silver arrows.

Mr. Norman Hayalp, District Scout Commander, conducted the candlelight graduation services of the eleven boys from Cub to regular scouting. They were John Thompson, James Chamblee, George Farnall, Bud-

dy Collins, Lavey Hunt, Lynn Warren, Louis Friedheim, Walter Moody Charles Bamford, Lee Braddock and Ned Elsbury. About one hundred and fifty attended the services and enjoyed the exhibits on display by the various dens.

The boys are making plans for the Blue and Gold banquet to be held soon celebrating the 40th anniversary of boy scout.

ANTI-RUST

GASOLINE

CONTAINS RD-119 New Sinclair Scientific Discovery That Stops Rust

EVERY CAR NEEDS New Sinclair Gasoline with RD-119 to protect the fuel system against rust and corrosion. Here's why: All gasolines contain minute quantities of water caused by moisture condensation. Result: Rust forms inside your gasoline tank and non-ferrous parts of your fuel system corrode. To prevent rust and corrosion, the new miracle chemical RD-119, in Sinclair Gasolines, coats the inside of your car's fuel system with an invisible protective layer.

VISUAL PROOF RD-119 STOPS RUST

Both give you anti-rust protection plus top gasoline performance

(Continued From Page 1)
cal, which is in its fifteenth year
of publication in Atlantic
County. He received his education at
Transylvania College, Emory
University, Lake Forest School of
Law, Miami University and the
University of Chicago. During his
college days, he played on both
the football and basketball
teams.

Mr. Stauffer has served as
pastor of the Crossant Park
Christian Church in Ft. Lau-
derdale. He served two terms as
president of the Ft. Lauderdale
Ministerial Association.

The candidate is serving his
third term as president of the
Council of Social Agencies of
Ft. Lauderdale. This council has
80 organizations that are mem-
bers. He has just begun, Janu-
ary 1st, his term as president of
the Florida State Conference of
Social Work. This conference was
established in 1921 and is the
best known for its part in the
establishment of the State Wel-
fare Department, the Juvenile
Court System and the Child-
ren's Commissions. He is Home
Service Chairman of Broward
County Chapter, American
Red Cross.

He is chairman of the Brow-
ard County Adult Education
Advisory Council of the Univer-
sity of Miami. This committee
organized under the sponsorship
of the Exchange Club, was the
first of its kind in the State of
Florida.

He has served on the speak-
ers' bureau of both the Com-
munity Chest and the American
Red Cross.

In 1948 he organized both the
West Palm Beach and Ft. Lau-
derdale Executive Clubs.
He served as the first president
of the Ft. Lauderdale Club, which
was presented during his term.
Randolph Churchill, son of
President Franklin D. Roosevelt,
Minister and Archduke Otto
of Austria, heir to the throne
of the Hapsburgs.

He is a member of the Ft.
Lauderdale Kiwanis Club and the
Benevolent and Protective
Order of Elks.

YOUR COUNTY

COMMISSIONER

Neil E. MacMillan, Delray
Beach attorney, announced this
morning that he will be a can-
didate for County Commissioner
from that district in the May
2nd primary.

Mr. MacMillan is well known
in this area and in Palm Beach
County. He has just completed
two terms on the Delray Beach
City Council. It was largely
through his efforts that the
city was instrumental in
securing tentative approval in
the 1950 State Road Department
budget for the improvement and
reconditioning of U. S. High-
way 1 through Delray Beach to
Boynton Beach.

He is a past director of the
Kiwanis Club, past president
of the Delray Beach Junior
Chamber of Commerce and pre-
sent member of the Public Af-
fairs and Livestock Committees
of the State Jaycees, past Vice-
commander of the American Le-
gion, a past Cubmaster and
Chairman of Pioneer District
Council (Boynton Delray
Beach-Boca Raton area) of Boy
Scouts of America, present di-
rector of Palm Beach County
Red Cross, and past Chairman
of Delray Beach Red Cross and
Cancer Fund drives. MacMillan
is also a member of the Elks,
East Palm Beach County Farm
Bureau, Palm Beach County
Cattleman's Association, Palm
Beach County Sportsman's Club,
and Delray Beach Property
Owners Protective Association.

He is an Elder in the First Pres-
byterian Church of Delray
Beach.
He has been a resident of
Florida for twenty five years,
and of Palm Beach County for
ten years. He graduated from
John B. Stetson University, De-
land, Florida, in 1940 with LL.B.
and A. B. degrees. Prior to his
service in the last war as an
enlisted man and an officer,
MacMillan was associated in the
practice of law with Chas.
Frances Cox in Palm Beach.

MacMillan in announcing his
candidate stated, "The area
comprising this district will
have an unprecedented growth
in the next few years. If elected,
I will represent each part of the
district in an impartial and busi-
ness like manner, and will co-
operate to the fullest extent
with all of the municipalities."
MacMillan expressed alarm over
the general trend toward
"big government" and "bank-
ruptcy financing." He pledged
himself to combat this trend
and to guard against such phil-
osophies permeating the County
administration.

He particularly expressed his
interest in improving the roads
and bridges of the farming sec-
tions of the district. He stated
that the farming economy
equals the resort economy in
importance and in future poten-
tial growth, and good roads and

bridges are a "must" to the
farmers. Mr. MacMillan owns a
small cattle farm West of Del-
ray Beach, where he raises
grade Hereford and Brahman
cattle.

Mr. and Mrs. MacMillan re-
side at 23 Dixie Blvd. with their
two daughters, Lynn and Carol,
and their six day old baby son,
Neil Thomas.

YOUR RAILROAD

COMMISSIONER

Gray M. Hardie, well-
known Tampa business man,
formally announces his candi-
dacy for office on the Florida
Railroad and Public Utilities
Commission, Group 1, subject
to the Democratic Primaries.

Albritton, a native Floridian
is 37 years old and a member
of a pioneer Hardie County
family. He was born in Bow-
ling Green, Florida, where as a
boy he worked on a farm and
attended public grade schools.

Upon his graduation from the
Wauchula High School, where he
was prominent in school ac-
tivities and athletics, he major-
ed in Business Administration
and Accounting at the Business
University of Tampa. He is a
refugee of World War II and
since his return from the armed
services, has engaged in the real
estate business in Tampa. He is
a member of the Baptist Church
and American Legion.

In making his formal an-
nouncement for the office, Al-
britton said, "I have just com-
pleted a tour of the state, visit-
ing many business and civic
leaders who heartily agree that
Florida, one of our fastest grow-
ing and more progressive states,
urgently needs young and vi-
gorous men in positions of lead-
ership."

Albritton, who is making his
first bid for public office, said
further, "I have already launch-
ed a vigorous state-wide cam-
paign for this important office,
based upon honest and expedi-
ent administration of the af-
fairs of the commission, which
is vitally affecting the progress
of the state and the prosperity
of our people."

"As a native Floridian and
as a business man, I am aware
of the importance of the com-
mission's principles of 'live
and let live' are inborn. I will
be fair to all, fearlessly and
unselfishly protect the interests
of both taxpayers and utility
companies."

"As your Commissioner, I will
personally urge full representa-
tion of all of the people at com-
mission hearings in which com-
munity problems and issues are
involved, and will render fair
and impartial rulings, only after
a comprehensive investigation
of facts have been made."
"I will advocate and support
a master fact-finding agency in
order to accomplish more ef-
ficient methods of determining
rates, equitable to all and dis-
criminatory to none."

"I will work heartily with
all interested parties in order
groups for the removal of bar-
riers and discriminatory prac-
tices affecting the movement of
Florida citrus, produce and pro-
ducts to northern markets."

"As a business man, I am
without political debts or obli-
gations and will not be subser-
vient to any group or special
interest but will pledge myself
to keep politics out of the com-
mission and conduct all affairs
on a courteous, business-like
basis."

"As the functions of the Rail-
road and Public Utilities Com-
mission affect every man and
woman of Florida, regardless of
position or income," Albritton
said, "I urge every citizen to
qualify and vote in the forth-
coming Democratic Primaries."

THE SENATOR
James G. Harrell, Orlando
lawyer and former legislator,
today became the second aspir-
ant to the Senatorial post now
held by Claude D. Pepper. Har-
rell paid the qualifying fee and
took the candidates oath before
Secretary of State R. A. Gray.

Termed himself "The People's
Candidate," Harrell said,
"Regardless of how worded
the incumbent may utter as he
makes his every-six-year vote
seeking tour of the State, there
are only three issues in this
campaign: States Rights, Civil
Rights and Legislation and Com-
munist Russia."

Harrell explained his stand
on these issues in these words.
"I am unequivocally for States
Rights. I am unalterably op-
posed to the mis-named and
mis-depicted proposed Civil
Rights legislation. I favor a for-
eign policy which will effective-
ly halt Communist Russia's
mar of conquest."

Smathers To Attend

Delray Beach Fair

Rep. George Smathers has
accepted an invitation to close
the South Florida Gladioli Festi-
val and Fair to be held at Del-
ray Beach February 20-25, Paul
E. Gringle, chairman of the spe-
cial events committee, has an-
nounced. He will be present on
the final night and will present
the Fair to the community with ap-
propriate ceremonies.

The Fair takes on special sig-
nificance this year with the an-
ticipated appearance of Senator
Claude Pepper on the opening
night. Senator and Mrs. Pepper
have stated that they will be
present.

An invitation to attend the
Festival was extended to Mr.
Smathers on the same day that
Mr. Pepper was invited. Mr.
Gringle said, "It was necessary
for Mr. Smathers to rearrange
his itinerary before he could
notify the special events com-
mittee confirming his accept-
ance."

An invitation to attend the
Festival was extended to Mr.
Smathers on the same day that
Mr. Pepper was invited. Mr.
Gringle said, "It was necessary
for Mr. Smathers to rearrange
his itinerary before he could
notify the special events com-
mittee confirming his accept-
ance."

"Letter From Washington"
Last year, so the story goes,
an unidentified source wrote the
President of the U. S.: "I see
where Hoover says you want to
get rid of rum bureaus. Could
you send me one?"

To go along with the joke, a
chess side replied as fol-
lows: "The President is keeping
all his old bureaus. Could
you send me one, badly-scared
cabinet?"

**Unemployment Payments
Continue Downward**
Unemployment compensation
payments and recipients vol-
untarily downward trends both
dropped approximately nine per-
cent for the week ending Janu-
ary 28 compared to the pre-
vious week, the Florida Indus-
trial Commission announced to-
day.

Recipients dropped from 10,
477 to 9,592 during this period.
This represents a decrease of
3,176 over the two week period.
Payments showed a decline of
\$13,781. A total of \$139,472 was
paid out during the week as
compared to the \$153,353 for
the previous period.

Half of the counties in the
United States if neces-

sary to prevent a mandatory
\$1,000,000 a year increase in
Florida freight rates. The Inter-
state Commerce Commission,
which last year gave railroads and
a 25 percent hike in freight
moving between states, is con-
sidering an order to the state
commission to put the same
rates into effect on freight mov-
ing within Florida. The Florida
commission through its chair-
man, Wilbur C. King, has no-
tified local authorities that

state showed decreases in both
payments and recipients. Hills
borough County had the biggest
drop with 648 decrease in re-
cipients. Four of the counties
remained the same, while 29
had slight increases. Duval
County had a decline of 228 re-
cipients.

Payments to persons now liv-
ing in other states but who
worked in Florida, the Florida
earned wage credits in Florida
increased during the week end-
ing January 28, 1949. Approx-
imately \$17,858 were paid out to this
group.

**Floridians Pay
Large Sum in Taxes**
Government last year billed
the people of Florida, and col-
lected from them, \$595,300,000
in federal, state, county and
municipal taxes, according to
the Florida State Chamber of
Commerce.

Florida represented 22 per-
cent of the people's entire 1949
income but was not all the taxes
imposed upon them. Floridians
paid an additional estimated
\$150,000,000 in so-called "hid-
den" taxes. These figures were
made public today in the week's
business review of the State
Chamber's research and indus-
trial division.

"All told," the State Chamber
reported, "Floridians last year
paid 27 percent of their income
into the coffers of government,
or a total amount approximat-
ing \$745,300,000. Although total
taxes include taxes from all
sources, as well as those paid
by the individual, it is the indi-
vidual or the family consumer
who ultimately pays the bill,
either directly or indirectly."

A per capita breakdown, said
the Chamber, shows that gov-
ernment spent \$209 of each
Florida's 1949 earnings. Tabu-
lated on a family basis, govern-
ment cost each Florida family
the average sum of \$1,923 last
year.

**Utilities Commission
May Carry Rate Fight
To Supreme Court**
The Florida Railroad and
Public Utilities Commission is
heading for the Supreme Court if ne-
cess-

ary to prevent a mandatory
\$1,000,000 a year increase in
Florida freight rates. The Inter-
state Commerce Commission,
which last year gave railroads and
a 25 percent hike in freight
moving between states, is con-
sidering an order to the state
commission to put the same
rates into effect on freight mov-
ing within Florida. The Florida

See the Buick SPECIAL 6-PASS. SEDAN. All-weather, a new styling change.

Here's where Thrift and Glamor meet

Recognize this sprightly traveler?
Yes, it's the Buick SPECIAL 6-pass-
enger Sedan that has caught the
public fancy not only on its sleek
lines, but on its easily-reachable
price.
But notice anything new on it?
That's right — gleaming trim and
the name plate "SPECIAL" bright-
ening up the fenders. Brightwork
around the windshield and win-
dows, too. And when you swing
the door open you'll see still other
touches of added luxury—side arm-
rests, front and rear, a robe rail,
an extra ash tray.
It's all still mighty thrifty, because
this strapping straight-eight sells
for less than many sixes.

Frugal in other ways too — gas
mileage, for instance, is surpris-
ing so many people they are
writing us in delight about it.
But here we've added extra
glamour. Stepped up, at small
step-up in price, the luxury
look and surroundings of
cars that would normally be
much higher.

Relief For Veteran Homeowners Stressed

Rep. George Smathers is offering a program of relief for veteran-homeowners whose budgets are strained by monthly payments on houses bought under stress of peak prices and the housing shortage.

Smathers says he plans to introduce and push for passage, legislation to reduce such home payments as take a disproportionate part of the veterans' monthly "take-home" pay.

"I have made a study," Smathers asserted, "of the cost of housing to veterans today as compared to the costs three or four years ago. There is considerable difference which is working an unfair advantage to the veteran who bought or built several years ago, when, because of housing shortage, his need was imperative."

"It is my hope to draft legislation which will afford that veteran an opportunity to reduce his monthly payments by extending the length of time of his total payments. It will result in no overall loss to the federal government."

"This can be done by authorizing the RFC to purchase these mortgages now held by private insurance companies which do not wish to extend time of payment," he said.

State Chamber Fixes Annual Meeting Dates

The Florida State Chamber of Commerce will hold its 34th annual membership meeting here on November 19, 20 and 21. Announcement to this effect was made today by the organization's president, Walter L. Hays, who is also president of the American Fire and Casualty Company with home offices in Orlando.

Coincidentally, Harold Cole, the State Chamber's executive vice president, said at Jacksonville today that committees and divisions, soon to hold their spring conferences, will aid in the development of the annual meeting program.

"It now appears," Cole said, "that tax and other problems affecting the State's industrial growth will be re-examined in the light of the splendid exploitation work being done by the State Industrial Development Council, which was recently activated by Governor Warren in the request of the State Chamber's industrial division."

Chitwood's Auto Daredevil Final Appearance Sunday

Joie Chitwood and his original Auto Daredevil will complete their 1950 engagement at the Florida State Fair in Tampa with a program next Sunday afternoon, which promises to be

replete with new thrills. The Chitwood aggregation performed last Wednesday afternoon and Friday night, to record-breaking throngs, and P. T. Strider, manager of the state fair, is making preparations to handle a sellout throng for the final event of the 1950 annual.

Chitwood will personally set the pace for his galaxy of daredevils, and he will attempt to set a new world's record for a high sideslip with a stock sedan. He holds the present mark of 72 feet, and he is of the opinion that he can hold a machine up on two wheels for a distance of more than 80 feet if track conditions are favorable. Jimmy Owens, state fair superintendent, has promised his crew will do everything possible to have the surface in shape for such a feat.

Snooks Wentzel of Redding, Pa., and Dick Cobb of Augusta, Ga., will conclude their world's championship roll-over contest Sunday's performance. These daredevils will have completed more than 50 deliberate still rolls with stock sedans in the past 12 days when they move into the final round next Sunday. They are battling for a huge trophy and a large cash award, and both are expected to pass all caution to the winds in the final effort.

Chitwood's hell driving, the sensational four-car 20-m.p.h. steepchase racing, ski jumping with stock sedans, the dive bomber crash, motorcycle and auto fire wall crashes, and the breathtaking leap of a stock sedan, completely over another speeding sedan also will be included in the two-hour program, suggested by Chitwood's group of daredevil clowns. The program will start at 2:30 p.m., and as the Fair closes Saturday night, there will be no outside admission for Sunday's program.

\$120,000 Hospital Set For Hendry

Activities began last week on site of the new Hendry County Hospital when ground was broken.

You can insure your budget!

Even the most carefully budgeted income cannot withstand the drain of unanticipated losses. A fire, storm, burglary, personal accident or damage suit can rob you of your possessions and even mortgage your future income.

Prudent people budget their expenses, and guard against the unexpected by including carefully selected insurance protection in it. A budget that is not thus secured resolves itself into a matter of burdensome bookkeeping with the possibility that at any moment it might have to be written in red ink.

List insurance in your budget and keep your balance out of the red. We can help you select the proper protection.

Hendry County Hospital Authority has planned to contract construction themselves.

Fl. Myers To Have Celebration

This town is getting ready for the greatest festival in its history—a ten-day celebration Feb. 11-20 of the city's 100th birthday.

There will be parades and pageants, balls and concerts, stunts and sports—a program packed with activities around the clock for homefolk and visitors who are expected by the thousands. The biggest show of all will be a historical spectacle depicting the steady growth of Ft. Myers over the century to its present status as an agriculture and tourist center with a population of 18,000 or more. Some 500 local citizens will be the actors in this pageant.

Of special interest to visitors will be open-house showing throughout the celebration of the home and laboratory of Thomas A. Edison who spent nearly 50 winters in Fort Myers and perfected some of his greatest inventions here.

The Edison home belongs to the city of Fort Myers—a gift from the late Mrs. Edison—and is maintained as a shrine and showplace. It is kept just as it was during the great inventor's lifetime.

It was in 1850 that the U. S. Army established Fort Myers on the banks of the Caloosahatchee river as a frontier outpost in the bloody war with the Seminole Indians.

Then came the settlers and next the tourists, until now Ft. Myers ranks as one of the most modern little resort cities in the state.

Fort Myers is inviting everybody the world around to attend this celebration, enjoy the festivities and pageants—and share the figurative cutting of an imaginary birthday cake with 100 candles.

FVFA Annual Digest Reveals Interesting Figures For Past Season

The Florida Fruit and Vegetable Association has just published their 1949 annual which reveals some interesting data, one of which gives the car and truck movement for the 48-49 season. This report gives 76,184 packages leaving Florida for the Northern market and carrying leading with 11,725 packages and beans and cabbage a close second with 9,589 and 9,016 respectively.

Watermelons, strawberries and other fruits brings the total up to 90,961 packages which "ain't hay."

Testimony Cancelled
"Grandpa" Smith had reached the ripe old age of 102 years. He was being pressed by officials of an anti-tobacco league to sign a testimonial crediting his longevity to the fact that he had never used the weed in any form. Just as Grandpa grasped the pen in his feeble hands and scrawled his approval to the testimony, there came from the adjoining room an awful racket—kitchen pan falling, glass breaking, and mumbled complaints of a human voice.

"What's that?" queried one of the anti-tobaccoans.
"Oh," sighed Grandpa, as he leaned wearily back on his couch, "that's my pa. He simply goes wild when mama hides his smokin' tobacco."

He Was Too
Visiting with convicts in a penitentiary, a woman social worker spoke to a tough looking gent: "My good man, I sympathize with you. I presume it was poverty that brought you here?"
"Oh! No, my good woman," replied the inmate with feigned gentility, "I was simply coming money."

Florida Vegetables Are Healed
Florida grown vegetables are just as healthful as those grown in other states, according to "Florida Agriculture," monthly magazine of the Florida Farm Bureau out today.

Writing for "Florida Agriculture," J. Francis Cooper, of the Florida Agricultural Extension Service, Gainesville, says, "Those who would detract from

Championship Finals Tomorrow Afternoon

Geared up for the championship finals, a score of the nation's most noted speed kings will clash here Saturday afternoon in the closing day Florida State Fair auto races.

The 20 finalists are the survivors of earlier State Fair com-

petition described by veteran observers as the fastest, most furiously fought racing in the annals of Tampa motor speed.

Frankie Lupton, the defending 1949 national dirt track champion, is still rated a slight favorite but must win from his bitter antagonists as Deb Snyder, Kent, Ohio, Harry Kline,

Detroit; Jack LeVan, Indianapolis; Speed Wynn, Tampa; Jimmy Mayes, Indianapolis; and others to maintain supremacy.

The first of six races scheduled for the State Fair racing climax will start at 2:30 p.m. Qualifying trials for several new entrants will be conducted at 2 o'clock.

SOUTH BAY BEAN CHAIR HARBOR

The Lions Club was postponed from Feb. 2 to Feb. 9 on account of the circus sponsored by the Belle Glade Lions on that date.

Mr. and Mrs. Cess Peet of New Jersey were guests of Mrs. C. J. Brown last week.

Mr. and Mrs. Andrew Nick have returned from St. Augustine where Mr. Nick has been a patient in the hospital for two weeks. He is now convalescent and able to resume work.

Mrs. Marjorie Touchstone, visited her parents, Mr. and Mrs. Paul Touchstone in Ft. Myers over the week end and attended the South Florida Fair.

Mr. and Mrs. B. M. Fender, Keren Vadas, accompanied by Mr. and Mrs. Ira Hall and Harvey Red of Arkansas were Sunday visitors in Fort Lauderdale and also attended the Air Show at West Palm Beach.

Mr. and Mrs. Norman Dalrymple had as week end guests his mother, Mrs. E. W. Hanford and niece Frances Webb of Coral Gables.

Mrs. G. J. Barstow, Don Barstow and Miss Frances Rutledge attended the Tampa Fair and visited friends and relatives in Tampa over the week end.

Mr. and Mrs. Lavel Barvel and son Gary of Indianapolis were the Sunday guests of Mr. and Mrs. Alfred Vadas.

Mrs. Maude Hartline of Delray is spending the week with her son postmaster E. D. Hartline.

Mr. and Mrs. H. C. Willis are in Tampa for the Grand Convention and to attend the Tampa Fair.

Mrs. Edythe Eckman, Mrs. Leslie Martin and Mrs. Olga Hardy were all out of school part of last week on account of illness. Substitutes were Mrs. F. W. Muttcher, Mrs. E. M. Willis and Mrs. Alice Lamoureux.

Mrs. Tom Moulton of Donaldsonville, Ga., visited her daughter Mrs. I. M. Davis last week and took her three grandchildren.

ren, Butch, Bertram and Bryant Davis back home with her for a time.

Mr. and Mrs. C. E. Crichfield visited Mr. and Mrs. Flavel McCallister at Daytona Beach over the week end.

W. S. Krauss has been discharged from the Belle Glade Hospital where he was a patient last week following his facial injuries after having been shot Wednesday evening as he sat reading at his home by an unknown assailant. There is as yet no solution to the mystery of who or why the attack was made and no motive other than robbery has been uncovered.

Relatives Attend Funeral At Beach City

Relatives called here by the recent accidental death of Patsy McCallister, son of Mr. and Mrs. Otho McCallister of Beach City were B. G. Willis, C. T. Willis, H. C. Willis, and Miss Edna Willis of Ft. Ga., H. D. Willis, Mr. and Mrs. S. M. McAllister, Frances, Ulva and Eunice McCallister, Mr. and Mrs. Bernice McCallister of Tifton, Ga., Mrs. J. H. McCallister of Auburn, Ga., G. D. Willis of Thomaxville, Ga., T. A. Willis, G. W. Willis, A. J. Willis, Mrs. Minnie Willis, Bobby Willis and Ester Chairman of Miami, G. C. Davis and H. A. Thomas of Vero Beach, Mr. and Mrs. G. H. Farmer of Orlando, Mr. and Mrs. C. T. Guenther, D. D. Vanier of Pava, Ga., W. H. Farmer of Orlando, Mr. and Mrs. Ernest Sell, Mr. and Mrs. Vernon Farmer of Albany, Ga.

Papayas Exhibited

An exhibit of 26 varieties of canned papayas is attracting considerable attention this week at the Florida Exposition, the Store at South Bay. The exhibit is the work of Mrs. Mollie Correll of Chesapeake Gardens.

It contains canned papayas, sauce, preserves, butter, pickles and a variety of other products in combination with the number of other fruits and is a demonstration of how this delectable and important fruit may be conserved by the housewife for future use.

Home Demonstration Has Interesting Meeting

The Woman's Home Demonstration Club met at the South Bay school cafeteria Thursday, Mrs. I. P. Roberts presiding.

Miss Sara Horton, home demonstration agent, announced the annual clothing contest on Feb. 26. It will be sponsored as last year by the J. C. Penny Store.

The matter of serving dinners for the Lions Club was presented and it was decided for the Home Demonstration Club to serve dinner each month, leaving it open for other women's organizations to serve the other dinner week and week about. Mrs. Varda Higginbotham was appointed chairman of the dinner committee and also to contact other organizations giving them a chance to help solve the problem.

The program of the afternoon was on the Papayas. Mrs. Mollie Correll of Chesapeake Gardens gave a talk on the value of the papayas in the diet and ways of preparing them. She had on display an exhibit of 26 different ways in which it could be canned, preserved and pickled alone and in combination with other fruits. She also presented a demonstration of the use of the papayas as a vegetable, cooked in combination with other vegetables.

A test tube demonstration of the action of pepsin from the papaya in digestion of food was also presented.

A papaya cake and a coconut cake were served with coffee at the close of the program to Miss Horton, Mrs. A. B. Barren, Mrs. H. B. Walker, Mrs. E. M. Willis, Mrs. C. J. Penny, Mrs. F. P. Roberts, Mrs. F. W. Muttcher, Mrs. Walter H. Thames, Jr., Mrs. A. L. Lumpkin, and Mrs. Higginbotham.

Entertainers

Mrs. Norma Dalrymple of South Bay entertained on Wednesday honoring her daughter Linda on her fourth birthday at a party of little folks.

Guests were Dick and Dan Willis, Ruth Schiner, Sonny Brown, Tommy Walters, Ritchie Herring, Bertram Davis, Jimmy Challancin, Linda Miller, Gladys Crichfield, Sharon Wilder, Skipper and Ann Peacock.

Linda Miller Has Birthday

Mrs. Linton Miller entertained at a party at the home of Mrs. C. B. Higginbotham on South Bay Friday honoring her little daughter Linda on her third birthday.

Guests were Mrs. F. B. Willis, Dan, Dick and Doris, Mrs.

Mary Louis Dalrymple, Gladys Louise and Norma Leslie, Mrs. E. E. Hardy and Cherry, Mrs. T. E. Weathers and Tommy, Mrs. J. C. Sumner and Jimmy Lou, Miss Jean Browning, Ritchie Herring Shirley Miller, John Daniel Sellers, Mrs. C. J. Penny, Skipper and Ann, and baby, Mrs. I. M. Davis, Bertram and Bryant, Mrs. H. B. Walker and Nell, and Frances Webb.

Family Reunion

Mr. and Mrs. C. B. Higginbotham were hosts at a family reunion held at the South Bay in honor of her sister Mrs. Rebecca Hubbard of Opelaska, Ala. who is visiting here.

Others attending were Mr. and Mrs. Linton Miller, Mr. and Mrs. L. M. Miller and Shirley, Mr. and Mrs. Clayton Miller, Mary Lou and Flossie, and G. L. Miller of West Palm Beach.

Anita Peacock Has Birthday

Mrs. Calvin J. Peacock of South Bay entertained at a party Monday evening at her home. Her daughter Anita on her fourth birthday.

Guests were for Barry Perkins, Wayne Partain, Gladys and A. Norma Daymple, Ritchie Herring, Mr. H. B. Walker and son Neil, Mrs. Linton Miller and daughter Linda, Mrs. T. E. Weathers, Martha Walker, Mr. and Mrs. M. C. O'Neil, Walker and Gary, Robert Roberts, Mrs. E. E. Hardy and daughter Cherry, Jimmy Lou Sumner, Connie Perkins, Donna Faye Walker, Skipper and Jerry.

Mrs. Albert Perkins of Lake Harbor assisted the hostess in entertaining the children in serving refreshments of cake, punch, favors and candy.

P.T.A. Meets

The South Bay Parent-Teacher Association met at the school Monday evening, Mrs. Murphy's sixth grade presented a program on Valentine Day. Her room also won the attendance prize for the month.

It was decided to set the new in cement to give it a secure footing on the playground.
